What's the biggest work/COVID-19 challenge you're facing this week?

Keep our staff safe. Run the necessary protocols to keep everybody safe, as well as react quickly when having a positive case.

What's the current situation in your city relative to opening non-essential businesses?

Businesses are closed in Sao Paulo, until May 31st. Potentially this date will be postponed.

How do you think COVID-19 will bring about permanent changes in corporate real estate and workplace strategy?

The "new normal" will for sure bring changes in the office usage (less people, less density), more social distancing in offices and factories, more days of "WFH" and much more remote meetings.
